GEBHART FAREWELL NOTE INDICATES SUICIDE; CORONER PROBE OF MASCHING CASE TONIGHT

INQUEST FOR NICK GINOCHIO THIS EVENING

Joe Masching, charged with manslaughter in connection with the killing of Nick Ginochio, was released on \$500 cash bail yesterday.

Sheriff Veale's office and the Richmond police late last night were working on clues which they intimated might lead to other arrests in the case.

Experts were scrutinizing bits of cloth alleged to have been found on Masching's car, with a view to identifying them as parts of the clothing worn by Ginochio at the time of his mortal hurt.

This evening at 7:30 o'clock Coroner Charles F. Donnelly will conduct inquests into the following cases: Emanuel Fransischini, found dead in his room on Fifteenth street May 3; Martin Kaufman, found dead in his room in Pullman, May 6.

At 8 o'clock the jury will sit on the case of G. Fred Gebhart, who was found dead in his room at 435 Santa Fe avenue yesterday morning, and finally on the case of Nick Ginochio, whose death is reported to have followed injuries sustained when he was struck by an automobile on Sunday morning.

The Ginochio case will attract a great deal of interest in view of the fact that Joe Masching has been arrested and charged with manslaughter in connection therewith. A number of witnesses probably will be examined.

Pierce & Carlson have been retained to defend Masching, who was released yesterday on \$500 cash bond.

The speaker at the grave was Arish Bright, consul commander.

Beat Her And Chased Her On Horse Woman Says

Alleging that her husband beat her, treated her cruelly and on one occasion pursued her on horseback when she was fleeing from his blows, Mary Martin filed suit in the Superior Court at Martinez Tuesday against Joseph Martin. They have been residing here.

According to the complaint they were married in 1914 and for a long time resided at Christie near this place. On a number of occasions since their marriage, the plaintiff avers, the defendant struck her. Once she ran away from him while he was beating her, she avers in the complaint, and he overtook her on horseback and drove her back home. T. D. Johnston is attorney for the plaintiff in the action.

CARLSON TALKS TO RED MEN

The chief's degree was conferred on a class of eight candidates by Onetah Tribe of Red Men last night in Pythian Castle before a crowd of 200 Red Men from all around the bay. Six of the candidates were from Onetah tribe, while the other two were from Shenandoah Tribe of Pinole. The degree work was put on by the Onetah degree team, captained by Harold Kueffer.

The Red Men Hall Association took over the meeting following the degree work. It took T. M. Carlson just five minutes of eloquent oratory to make the Red men did down and aid the Hall Association fund by \$1700. An entertainment under direction of Ed Foster was given. Daming Howard, the Jansen brothers, Beckman and several other local artists put on some fast waltzing matches. The old favorite, Walter McGowan, entertained with one of his inimitable Italian monologues and also contributed a vocal number.

At the conclusion a banquet was served under the direction of Chief Wimbley. The gang paid tribute to the chief's culinary skill by doing justice to the barbecued spring lamb and other tempting dishes served.

There will be no meeting next Tuesday because of it being Memorial day. The election of officers will take place at the next meeting, which will be held on Tuesday evening, June 6.

The past sachems of Contra Costa and Alameda counties held a short meeting last night.

White Way Will Be Ready For Memorial Day

City Manager J. A. McVittie yesterday announced that Richmond's white way will be ready for service on the evening of Memorial day, May 30, barring unlooked for interference.

The original schedule called for the lights being turned on June 1, but the suggestion of the Record Herald that the avenue be got in readiness for the visit of the governor and other illustrious visitors appears to have been taken in the spirit in which it was offered.

The American Legion and other bodies of the city will greatly appreciate this prompt and courteous action of the city manager and of Manager George N. Rooker of the Power company.

GOLD STRIPERS WERE INVITED: REIFSCHNEIDER

Editor, the Record-Herald.
Sir: My attention has been directed to stories in today's Richmond papers that Ben W. Speir, of the Veterans of Foreign Wars, appeared before the City Council Monday evening and complained to that body that the V. F. W. had not been shown proper courtesy or consideration in the matter of extending to them an invitation to take part in the memorial exercises to be held in Richmond on May 30.

For the information of the mayor and members of the Council and the taxpayers and the good people of Richmond whose generous consideration are making possible the erection of the memorial building here, I wish to give these facts:

Heretofore the Grand Army of the Republic have directed the Memorial Day programs in Richmond. This year, the G. A. R. indicated to Richmond Post No. 10, American Legion, their willingness to have the Legion handle the celebration.

Conscious of the honor and responsibility, the Legion have undertaken to carry out a suitable program. With this end in view, Commander T. M. Carlson appointed a committee of general arrangements of which I was made chairman. Immediately I gave due publicity to our tentative program, and gave it out as the wish of the Legion that all patriotic bodies take part therein. In line with this, a meeting was called, and held at the City Hall.

I made it my business personally to notify Mr. Ben W. Speir, and urged that he be present, or that the Veterans of Foreign Wars send representatives as they wished to confer with the members of the committee. Furthermore Mr. Ben W. Speir was named by me as a member of the transportation committee for the Memorial Day program. For reasons best known to him and to his organization neither he nor any of them appeared at the meeting or made any other effort so far as I have been informed, to get in touch with the committee.

We are very grateful to Mayor Garrard and to the Council and to the Board of Supervisors and to all others who have made it possible for us to have the Memorial building in Richmond.

No invitation was extended to the fraternal bodies of Richmond formally to take part for two reasons: the ceremonies properly and necessarily must be more or less military in their nature; furthermore, nearly all the lodges of Richmond are numerous and capably represented in one or more of the patriotic bodies of the city, and we deemed it unnecessary formally to invite them to be present.

The exercises are open to the public and we hope and believe that Richmond will turn out en masse to aid us in paying homage to our heroes.

MEMORIAL DAY PROGRAM IS GIVEN OUT

The Memorial day committee announce the following program to be given at the Memorial day ceremonies at Civic Center:

Exercises at Memorial building site on Nevin avenue west of City Hall, to take place at 10 a. m.:

- 1—"Star-Spangled Banner" played by Municipal Band.
- 2-Invocation Captain Turner of the Salvation Army.
- 3-Introductory remarks, Mayor Garrard, chairman of the day.
- 4-Ground Breaking, Comrade C. H. McCausland of the G. A. R., coincident with remarks by Hon. W. J. Buchanan, chairman of the Board of Supervisors.
- 5-Remarks, Colonel Noble, representing Comm. General of 9th Corps Area.
- 6-"Stars and Stripes", played by Municipal Band.
- 7-Oration, Wilbur S. Pierce of the American Legion.
- 8-Address, Hon. Wm. D. Stephens, Governor of the State of California.

(Note—At conclusion of exercises, those interested will proceed to Sunset View cemetery, where appropriate services will be held by all patriotic organizations for the soldier dead.

All machines going to cemetery should park on Nevin avenue. All others, on Barrett avenue and side streets.

LIONS-ROTARY BALL GAME PLANS LAID

The feature of yesterday's program at the Lions' luncheon was a pleasing address by Miss Lella M. Bromfield, native of New Zealand, who talked of laws, customs and ideals of the people in the Antipodes.

Carl Richard was chairman of the day.

Next Tuesday Wilbur S. Pierce will be chairman.
On Saturday evening a number of the Richmond Lions probably will be on motor down to Tracy where the receipt of the charter for the Tracy Den will be the occasion for a celebration.

Plans were further made for the baseball game to be played by the Lions and Rotary Club on Friday afternoon, June 2. An admission of 50 cents will be charged to the game, which will start at 5 o'clock. The proceeds will go to the Salvation Army. R. W. Hanna, manager of the Standard Oil, is manager of the Rotary team, while Supervisor Zeb Knott manages the Lions team.

Both teams have been practicing hard and a hot battle is promised the fans.

LEGION AUXILIARY WILL AID SALVATION ARMY

The American Legion Auxiliary plans to take an active part in the coming Salvation Army drive. At a meeting to be held this week delegates to assist in the drive will be appointed. In addition to the delegates, the other members of the Auxiliary plan to assist the worthy cause.

Mrs. Ogborn Has Outing At Hangtown

Councilwoman Marie L. Ogborn has returned from Placerville and Fort Sutter, where she spent a few days looking over the scenes of her girlhood and enjoying close-ups of the '49 celebration which not only grips Sacramento but is being celebrated throughout the mining region of California.

Mrs. Ogborn states that every nook and ledge in the hills around old Hangtown have been taken by California folks who have answered the call of the open road, and that the woodland in its coat of green and dogwood blossoms is a bower of beauty and fragrance.

She came home wearing a yellow satin badge bearing the magic words "1848—Hangtown."

She was back in time for the meeting of the City Council Monday evening, tired but happy.

SEWER WORK PROCEEDS IN SAN PABLO

At the meeting of the San Pablo Sanitary board, held at the San Pablo school house last evening, President E. A. McCausland, president, and there were present trustees J. A. Pownell, C. D. March (Secretary), and F. Ross.

Engineer Ross Calfee presented plans to the board showing the lateral sewers that are needed in the district.

Two resolutions of intention were adopted providing for work in certain parts of the districts.

The time for the hearing of protests had been set for June 8th at 8 o'clock, but it is not believed the board will have any to hear as the residents of the district are very anxious to see the sewers put in.

Thelma Milnes Weds Max Holtz In Los Angeles

Dr. Thelma Milnes, daughter of Mr. and Mrs. G. E. Milnes of 415 Thirtieth street, was married in Los Angeles May 20th, to Mr. Max Holtz, and since that time they have been making a tour of the state in an automobile. They are now at Mr. Hermon, Santa Cruz county, and after spending two weeks there will visit Richmond and then go south, where they will make their home.

Salvation Army Drive Thursday

The Salvation Army drive will open here on Thursday, May 25. That was the decision reached by the thirty representatives of local fraternal organizations and other bodies who met Monday night at 704 Macdonald avenue and further developed plans for the drive. The meeting was presided over by C. F. Donnelly.

The women will open the drive by canvassing the streets on Thursday. The committee promises something doing every day, including a kangaroo court. There will be an automobile day later in the week. The Salvation Army moving pictures are now being shown at the local theaters.

Jury Ballot Six Times And Convict

Bennett Davis, former school teacher and big league baseball player, charged with burglary as the result of alleged thefts from the Coast Construction company at Rodeo recently, was found guilty of burglary by a jury in Judge A. B. McKenzie's court after deliberating for three hours.

Final arguments in the case were concluded at 5 o'clock and immediately Judge McKenzie started reading instructions to the jury. At 5:30 the jury started deliberations and shortly after 9 o'clock the verdict was returned.

The first ballot stood eight for conviction and four for acquittal. After six ballots all of the jurors voted guilty. Will S. Robinson of Richmond represented Davis and Deputy District Attorneys T. H. DeLap and James F. Hoey conducted the prosecution.

MARTINEZ WANTS FREE DELIVERY

Martinez again is making an effort to have postal free delivery.

The Chamber of Commerce of that city have reported to the city trustees that 95 per cent of the houses have been numbered, and asks the trustees to have sidewalks put in so as to meet the requirements of the postal department.

The people of Richmond would be happy to see the good people of the county seat have their wishes granted in this matter.

Next Sunday the postmasters of Contra Costa county will meet in Martinez and discuss ways and means to better the service.

REGISTER URGES CLERK WELLS

County Clerk J. H. Wells is urging the people of Contra Costa county to register. He pertinently calls attention to the fact that "nominating petitions will soon be in circulation and only registered voters are permitted to sign them. The names of unregistered persons on petitions will not be considered."

Wells says registration has been pretty heavy, but there still remain thousands of folks who are eligible whose names do not appear on the great register.

Civic Center Club To Have Food Sale

Delicious cakes, pies, salads, baked beans and brown bread will be offered for sale. SORRY, GOOD-BYE SAYS NOTE OF GEBHART

A barely decipherable note, written in pencil, in which he expressed regret and bade his son good bye, coupled with the fact that the room had been made practically air tight, seem to warrant the deduction that G. F. Gebhart, water tender for the Standard Oil, deliberately took his own life.

Gebhart was found dead in his room at 435 Santa Fe avenue yesterday morning when his son, Fred Gebhart, went to the house to visit his father, who had been complaining of not feeling well.

The gas heater had been turned on. The police believe death was due to asphyxiation.

The note appears to have been written after the lethal fumes had begun to impair the unfortunate man's mentality and respiratory organs.

He was last seen alive about 7 Monday morning.

The inquest will be held this evening at 8 o'clock.

Deceased was 60 years old and a native of Pennsylvania. He had lived in Richmond for nine years. His wife died about a year ago.

He was the father of Mrs. James O'Day, of Los Angeles; Fred Gebhart, Jr., of Albany; Holly Gebhart and Mark G. Gebhart, and was the brother of Daniel G. Gebhart, and Sara Gebhart, of Germantown, Pa.

The body lies at the funeral parlors of Bert Curry.

The body is at the funeral parlors Thursday afternoon, with Rev. S. J. Hocking officiating. The body will be cremated at the California crematory, Oakland.

WHAT CAUSED THE BIG KICK?

We have all heard, from such men as Hearst and Borah, that the landslide at the last national election from the Democracy back to Republicanism was caused by President Wilson's activities in the League of Nations, but that was nothing but those parties trying to make political capital for their own cause. The real reason the American people revolted at the polls, where hundreds of thousands of good Democrats voted for Harding, giving him the unheard plurality of 7,000,000, was because of the extravaganzas of the Democratic leaders, and officials with the people's money and the raising of the taxes up to the almost original sum of over fifteen billion dollars expenditure in 1919. That was the reason, and it was reason enough. If it had been done by a Republican administration, the Republicans would have voted a Democratic ticket in protest. Any party burning up money, like that and allowing tens of thousands of rascally profiteers to rob the Government, and all the people had to go down, and it would have gone to smash, no matter which party it was.

If you want some startling information on this subject, here it is, in a dispatch from Washington:

Recent investigation has shown that the Government's aggregate losses on war contracts, through waste and frauds, were \$7,250,000,000.

Representative Graham was chairman of the committee in the last Congress which investigated war expenditures. He said:

"At our present rate of expenditures under this administration if we had the money absolutely wasted during and since the war by the last administration, we could pay all the running expenses of the Government for four years, without a cent of taxation."

"It is entirely safe to say that of the vast sum of \$14,610,238.66 expended by the War Department from April 6, 1917, to June 1, 1919, more than half was wasted and given away to war contractors."

"In the settlement of terminated war contracts, Graham declared, 'there is but little doubt that on an audit of these claims vast sums will be found to have been paid, either for carelessness or absolute collusion with war contractors.'"

Each year she gaily dolls some clothes.

But dreads the final test—

The winter when at grandma's age

She must discard the rest.

In Moscow street car fare is 1000 rubles for half a mile. How do those folks lug all that useless fat money around? They must use grain sacks instead of pocketbooks.

Some make footprints on the sand of time, and then again others leave fingerprints at police headquarters.

"Free Air" is a familiar sign, and good as far as it goes, but one must buy an automobile to get it.

Mars is now approaching the earth at the rate of 975,000 miles a day, but don't get excited, for the closest it will get will be in June, and it will then be a little matter of forty million miles away.

Payday is the inspiration and the reward of work. Take it away and get everybody to work for the State and you would have communism. It does not take a philosopher to see the result—little work and no enthusiasm in what was done.

Mr. Fordney, of tariff renown, says Michigan people are intelligent and know how to vote. They seem to know how to vote when Newberry distributes \$910,000 around among them.

President Harding, speaking a few days ago to the U. S. Chamber of Commerce, said: "The country at this moment is on the threshold of a new era; business is reviving and the country is finding itself." Glad of it. If it hadn't found itself pretty soon a search warrant would have been in order.

"SHINNY ON YOUR OWN SIDE"

It is about time the authorities of the Government and the people in general of this country was taking that old cry of the boys at play to themselves, and practicing it—"shinny on your own side!" Let those over at Genoa and The Hague, and elsewhere across the briny seas, eat each other up if they want to, which they unquestionably do—we have got a whole lot of shinnying on our own side of the ocean to do, and it'd better be doing it.

It appears that our so-called "leaders" are giving more time and attention to the needs of Europe than to the needs of America, and they should switch that the other way around. Let us have more action on what our own country needs and less hot air and swaddle about our duties to Europe. Our duties here at home to ourselves should come first, for duty, like charity, begins at home. We have domestic affairs and economical problems to settle here before we get right that need the best efforts of our statesmen and ourselves.

BABIES BY RADIO NEXT!

Helicoptered fire departments responding to alarms sounded by radio are now predicted by New York's fire chief. Helicopter is so new that it has not got into the dictionaries yet. The men of a helicoptered fire department will fly to fires in screw-propelled airplanes. They will rescue persons from blazing buildings by means of rope ladders hanging from the air ships. They will quench flames by the use of chemicals and non-poisonous gas instead of water, and do it from the air high above the fire. A blaze in the top of a 40-story skyscraper would be fought more easily than a fire in the first or second stories of a house. Oh, Gee! What will come next. Babies by radio, maybe! Many can remember when the fire department ran with the hose and worked hand pumps. Then came horse-drawn engines, and next motorized chemical apparatus, and now, h'gosh, helicopter! Life is getting to be mighty swift, and much like the first syllable of that new word.

Would it not be a good scheme to send for Lloyd George to come over here and see what, if anything, he can do toward bringing about a peace treaty of some kind between our Government and Mr. Hearst and Senator Borah?

Gifford Pinchot was one of the main Bull Moosers that upset the G. O. P. under Roosevelt and H. Johnson, and his nomination by the Republicans of Pennsylvania for governor is looked upon as a revolt against the existing political machine, state and national. People, and especially women, don't fall for "bosses" like they used to.

The Federal authorities fought with and captured a launch laden with liquor from Mexico, at Long Beach, Calif., a few days ago, and also seized the two million dollar wineries and stock of the Theo Gier Company of Oakland. Mr. Gier was said to be a German sympathizer during the war and got in wrong with the government.

Well, anyhow, those knock-'em-down-and-drag-'em-out nations that met at Genoa have at least agreed not to swallow each other whole without pepper or salt for eight months. That was real nice of them. They will probably spend that eight months borrowing more money and making more bullets.

The dispatches tell of an Indiana woman who came to life after her pulse had stopped beating. That sort of thing seems habitual in Indiana. There is Senator Beveridge, for instance. He did the same.

A Harvard professor states that, measured by the processes of radio activity, the world is at least 925,000,000 years old. Well, then it is old enough to know better than to do a lot of things it has been doing for the past five or six years. Maybe in 925,000,000 more years it will get a little souse.

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up.

Indigestion Unchecked Leads to Poisoning!

Formation of Food in Digestive Organs Cause of Trouble

If you suffer from indigestion it is a sure sign that your system is being slowly poisoned by the fermentation in the intestines. This condition produces heartburn, choking sensations in the chest, a feeling of heaviness or drowsiness, irritability, discouragement and despondency.

Mr. M. J. Christopher, 5724 Keyser Street, Germantown, Pa., long a sufferer from indigestion, writes:

"Before using Dr. A. W. Chase's medicine, I felt so badly that I did not care whether I lived or died. I suffered from indigestion and my stomach would be so upset that even a piece of bread and a cup of coffee would give me great pain. Since taking Dr. A. W. Chase's K-I-Pills, I can eat almost anything without feeling any after-effects. The sore, aching feeling which I used to have in the lower part of my back is gone, and I feel so ambitious to do many things which I could not do before. You can buy Dr. A. W. Chase's remedies at all drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M.D., are on each box. This trade mark is your protection against imitations and substitutes.—Advertisement."

DID HIM MORE GOOD

Many men and women suffer from backache, rheumatic pains, stiff joints, sore muscles and other re- sults of kidney trouble because they neglected the first warning symptoms. Foley's Kidney Pills aid the kidneys to throw out poisonous waste mat- ter that causes pain and misery. Stephen Lewis, Eldridge, Ky., writes: "Foley's Kidney Pills did me more good than all the other medicine I ever took. I had kidney trouble ten years. I don't have any pain like I had before I took them." Sold every- where.—Adv.

Why Chilly Weather Brings Rheumatism

Rheumatism is no respecter of age, sex, color or rank. It is not the most dangerous of human afflictions it is one of the most painful. Those sub- ject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this uric acid which keeps accumu- lating and circulating through the system, eventually causing stiffness, soreness and pain called rheumatism. At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a table- spoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are sub- ject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

BLEACH FRECKLES

Squeeze the juice of two lemons into a bottle containing three ounces of Oran- ge White, which any drug store will supply. For a few cents, shake well, and you have a quart-sized bottle of harmless and deli- cious lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty and whiteness of your skin. Famous stage beauties use this lemon lotion to bleach and bring that soft, clear, rosy-white complexion, also as a freckle, sunburn, and tan bleach because it doesn't irritate.

MRS. L. A. YONTE, 56 North District, San Mateo, Calif.

March 16, 1922. I suffered from dysentery and difficulty breathing, my bowels moving constantly with bloody discharges. I also had murning indigestion and my stomach felt as though there was a piece of lead in it. Failing to get relief elsewhere, I took the herbs of the FONG WANG HERB CO. for two weeks. My former complaints have left me entirely and I am now enjoying good health. MRS. F. J. SNOWBERGER, 1409 Madison St., Oakland, Calif.

Suffered Unnecessarily

At intervals I suffered severe migratory pains which began in the right side of my chest and ran around under my arm into my shoulder blade. It was both painful and difficult to raise my arm. I had taken various sorts of treatment for the trouble, but had found no relief.

Now, after seven weeks of the FONG WANG HERBS, the pain in my chest is entirely gone and I feel quite well. I bought the herbs in packages and cooked them at home.

The annual meeting was held here owing to the fact that the capital stock is largely held by Richmond people. They were well pleased with the present showing and are expecting good returns in the near future.

Fashionable Woman Surprises Friends

"Speaking of a shock, I had one yesterday. But before I tell you let me ask you if you have seen Emily lately? No? Well, yesterday I got in the College avenue car behind an attractive woman. I noticed how neatly and fashionably she was dressed and how well she wore her clothes. When she got up I saw it was Emily. I hadn't seen her for months and she wasn't the same woman.

"Evidently not, if she was neat and fashionable. She has always been terribly careless about her dress."

"Well, we got off together and as she noticed how shocked I seemed to be she told me all about how her husband was getting sort of inattentive and not quite so anxious to be in her society. You know how some men are? Well, she said it worried her sick. Finally she realized that she was terribly careless about her clothes, so she began having her hair combed and got her a lot of new things and she says Walter is as devoted as ever. And just think. She told me where she gets those good-looking clothes. Cherry! On credit. Yes, she says she is able to find such satisfactory things there and right now Cherry's are having their May sales with very good bargains."

Love For Mother And Wife In Babe Ruth Film Today

Every mother, wife, sweetheart and sister will want to see "Babe" Ruth, the idol of the America today, the home-run king, who comes to the Macdonald theater today as the star in a six-part super-feature, drama, "Headin' Home." There is not a single woman in America today who has not listened to her husband, son, sweetheart or brother refer to this remarkable American sportsman.

To the fair sex "Babe" Ruth means and exemplifies the best in manhood. He is an example of clean living. He is what women characterize a home man. His home and wife come first. While he is in love with the national pastime, his family is a most happy one and down in the farm section of western Maryland "Babe" enjoys the simple life.

His career reads like a Horatio Alger, Jr. novel, for "Babe" was adopted by Jack Dunn, manager of the Baltimore International League club when a mere lad. He was educated in the public schools there by Jack Dunn who took a liking to him after seeing him play in a back-lot game with other boys. "Babe" made his debut with the Baltimore Orioles and then was sold to Joe Lannin, then owner of the Red Sox and Providence team. Babe was sent to Providence and that year he brought the team within an ace of winning the championship by his splendid mound and bat work. The following season he went with the Red Sox who in turn sold him to the Yankees.

The story that "Headin' Home" tells makes an especial appeal to

the women folks. It is based on the love of a misunderstood boy for his mother and is intermingled with a sweet love story.

On the bill also will be seen "I'll Say He Forgets," which is a snappy comedy, and a scenic.

Backache Is A Warning

Richmond People Should Not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. I have attacks of backache and at times, the action of my kidneys becomes irregular. Doan's Kidney Pills are sure to relieve me. I cannot say too much for Doan's."

An Appeal To Richmond's Big Heart

THE SALVATION ARMY, most generous of all givers, now asks for public contribution that it may continue throughout the year its relief and other social welfare work. A quota of \$5000 has been fixed for Contra Costa County by a committee of local business men. This is regarded as the minimum amount that will enable the Salvation Army to continue its work—an activity which, from its social and economic aspect, is indispensable to the entire county.

The period of contribution will be from May the 24th to the 31st. The campaign will be successful in so far as the public accepts this as an individual obligation and opportunity for the expression of community service.

Will you do your part and publicly prove that Richmond has a big heart?

DOCTORS CLAIMED RECOVERY WAS ALMOST A MIRACLE!

Woman Facing Certain Death from Nervous
Disorder Discovers Remedy in Time

Nervous disorders are on the increase. Men and women compelled to go out into the world to battle for a living quite often neglect their health to such an extent that a breakdown is the inevitable result.

Such neglect is criminal. In many instances it leads to fatal consequences. When you have moody spells, feel depressed, begin to have distaste for business or social duties, when you cannot sleep at night—these are sure signs of nervous ailments and should be checked.

Read below of the experience of one woman who, according to her own testimony, was

facing death, but who fortunately discovered the right remedy in time, and which brought her back to health and normal strength:

Miss Rena B. Crossland, Kempt, Queen's Co., N. S., writes: "I feel it a duty as well as a privilege, to tell of the wonderful benefits I derived from the use of Dr. A. W. Chase's Tonic Pills. In March, 1917, I had anaemia of the brain and the mental and physical suffering I endured is indescribable. I had treatment from three doctors, and for twelve days was unconscious, while for three months I was fed and cared for like an infant. My mother was so anxious for me to use Dr. A. W.

Chase's Tonic Pills that she crushed them and baked them in my food. After using two boxes I could feed myself; and after using them for two months, my health improved so rapidly that doctors and friends said my recovery was a miracle. I cannot recommend Dr. A. W. Chase's Tonic Pills too highly, even to those who seem to be facing death."

Dr. A. W. Chase's Medicines are on sale at all first class drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M.D., are on every box. This trade mark is your protection against imitations and substitutes. Advertisement.
